

Congratulations!

Prof Wong Tien Yin
Director, SERI

On being conferred the

NUS Outstanding Researcher Award 2009

About the NUS Outstanding Researcher Award

The NUS Outstanding Researcher Award is awarded to researchers based on their ***impact and strong research track record*** in their area of expertise. The successful researcher must have ***consistently achieved peaks of research excellence*** over a period of time and should be ***recognized by the academic community as having achieved significant breakthroughs or outstanding accomplishments in his field.***
