Prof Roger, you have done SERI/SNEC and Singapore proud !

About ARVO Fellow

The title of ARVO Fellow is a new honor that recognizes current members for their individual accomplishments, leadership and contributions to the Association.

As an ARVO Fellow, Prof Roger Beuerman will continue to serve as a role model and mentor for individuals pursuing careers in vision and ophthalmology research and to further ARVO's vision "... to facilitate the advancement of vision research and the prevention and cure of disorders of the visual system worldwide." This includes advancing basic and clinical knowledge and serving as the leading international forum for vision research and the primary advocate for vision science worldwide.

About ARVO

Founded in 1928, the Association for Research in Vision and Ophthalmology (ARVO) is the largest and most highly respected vision research organization in the world. ARVO serves an international membership of over 12,400 basic and clinical eye and vision researchers in 73 countries.
